

## IEDC Alumni New Year's After Work Party

Ljubljana (Slovenia), 15 December 2009

**IEDC Alumni Club Slovenia organized a New Year's gathering in a restaurant As. The event offered great opportunity for networking, exchanging ideas, memories, laughs and dance of more than 70 IEDC alumni.**

At this occasion also a well known business manager and owner of the restaurant As, **Svetozar Raspopović**, shared with the alumni some secrets of the gastronomic business. His interesting speech was followed by a musical performance of Byron Klub, which thrilled the audience with chilly jazz and fresh funky music.
